

LA CASA

TAPAS • MEZE • GOOD FOOD • GREAT COMPANY

WELCOME TO LA CASA

In true tapas tradition, every dish is coming to the table when it is ready & in no particular order.

We cook with fresh ingredients & use only local olive oil, fresh vegetables & fresh meat. Here in La Casa nothing is pre-cooked, it is worth the wait....

Sharing dishes brings people together. A shared plate turns eating into an experience, reminding us that food tastes better when its enjoyed together.
